Ellsworth, Maine 04605

A Show & Shine Event for Corvette Lovers of all ages!

Cruise your Corvette to the beautiful Downeast/Acadia Region of Maine during the spectacular fall foliage season. The Acadia Region Corvette Club will be hosting our 9th annual **Corvette Autumn** car show in Ellsworth, Maine on **Sept 16 and 17, 2022**.

Join us for our annual "Start Your Engines" party Friday night. Reconnect with friends, make new friends, and share your love of Corvetting. Registrants are invited to enjoy entertainment and a tasty FREE BUFFET and cash bar.

Then come to the Darling's Chevy lot on **Saturday** to see Corvettes from all eras and share stories with other Corvette lovers. It will be a non-judged Corvette Party where you can compare cars, join in fun games, vote for the car you'd love to drive home, and enjoy 60's-70's music all morning. In short... **Have Fun with other Vette fans!**

Saturday will begin at 9:00 am with free delectable donuts and coffee; registration for latecomers followed by socializing, lunch, games including Texas Washers and Corn Hole. Contributions and game proceeds go to **Sarah's House** in Holden, which provides low cost overnight housing for persons undergoing cancer treatment in local facilities. Over the years ARCC has raised thousands of dollars for Sarah's House. Please help us again this year by donating generously, knowing you are helping this worthy cause.

IMPORTANT NOTE: Please check our website and Facebook page before attending. Changing Covid-19 rules may necessitate changes to any or all plans!

FREE Hot coffee and donuts will be available to registrants and co-pilots at the registration desk.

The Elks Club will have lunches for sale at reasonable prices, including hamburgers, hot dogs, chips and drinks.

Vintage GM Memory Lane

A separate area for vintage GM vehicles.
No Registration required, just come and show off your special GM ride.
